1                           L. Orkowski, Jr.  
2                            (It is stipulated by and  
3    between counsel for the respective parties that  
4    sealing, filing and certification are waived and  
5    that all objections, except as to the form of the  
6    question, are reserved until the time of trial.)

7                           -                           -                           -  
8                            LUDWIG J. ORKOWSKI, JR.,  
9    4249 H Street, Philadelphia, Pennsylvania, 19124,  
10   after having been first duly sworn, was examined  
11   and testified as follows:

12                           -                           -                           -  
13                            MR. WEINBERG: This is Marc  
14   Weinberg, counsel for plaintiff in this matter.  
15                            I spoke to counsel prior to  
16   the deposition commencing. And my request was  
17   that I receive a copy of the medical records with  
18   regard to Ms. Johnson's prior medical treatment  
19   before the date of loss. Counsel was kind enough  
20   to advise that he would be speaking to  
21   Mr. Fowler, the attorney responsible for the  
22   file, to inquire as to the status.

23                            I do need those records and I  
24   have made numerous requests for them. I would  
25   request those records at a point in the near

1 L. Orkowski, Jr.  
2 future and do not wish to file a motion with  
3 regard to those requests. So, if they can be  
4 provided as soon as practicable, I would really  
5 appreciate it.

6 I'm not objecting to the  
7 deposition today, but I am asking that those  
8 records be provided on a timely basis. Thank  
9 you.

10 EXAMINATION

11 BY MR. TARANTO:

12 Q. Okay. Mr. Orkowski, am I saying that  
13 correctly?

14 A. Uh-huh.

15 Q. Okay. We're going to go through some  
16 of the preliminary instructions right now.

17 First, have you ever given  
18 deposition testimony before?

19 A. My -- not in a room. If you call  
20 going to court --

21 Q. Okay. So, you've given court  
22 testimony before?

23 A. Yes.

24 Q. So, you're somewhat familiar with how  
25 all this will go down.
